I think I'm just now reaching my sexual peak at 53. Yeah, I've fucked a lot before, but now, it's like FUCK. Everything seems to be happening in capital letters and that's so cool. My blow jobs are better, my pussy feels hotter, and I think in the next year or two I'm going to take it in the ass.

Not-so-old fogies

His vintage 1957 Corvette convertible was sitting by the side of the road with him still in it. He was on his cell phone when I pulled over to ask if he needed any help. I backed my truck up to the bright red beauty and let it block a little of the road so that traffic would have to slow down. I introduced myself and Michael told me it just died as he was driving. I asked if he had enough gas and he said he did. After a few minutes under the hood I found the problem. The distributor cap had come loose and connections weren't being made.

Michael nicely thanked me and offered me a couple hundred dollars cash for helping him. I said that was too much money for anyone and told him I didn't need payment. Just to be around a car as nice as his was reward enough. He said he smiled and put his wallet away, but insisted that he wanted to do some pay me somehow. As I turned to go, he gave me his business card and made me promise to call him the next day. The next day I called and he asked if I would come to his house for dinner. I graciously accepted. I arrived at the

Dear Editor:

Celestia is one great modern 50 year-old and I cannot tell you how impressed I am with her and her pictorial. I'm 25 and love older women and she's the perfect one. She is young looking, yet, I bet, comes with all the experience of her years. I've been fortunate enough to screw twenty and thirty and forty and fifty year old women. I have always found that the older they are, the better fuck they are. I can't wait to do a sixty year old or even a seventy year old. I know there are not too many young guys like me out there, which is okay by me, because that means more fifty year old pussy for me! They are right when they say that wine gets better with age!

— Riley C.

address he gave me to find a huge well-manicured home with a tree-lined driveway. I parked short of the front door, walked up to it and rang the bell. Michael invited me in and introduced me to his wife Carolyn. We had a great meal and Michael went on and on about how kind I was to stop and help him, and he was impressed when I didn't want his money. I told him that there were many things in life more important than money, like the '57 Vette.

He told me there were a few more classic cars and if I wanted to see them, well... The garage was bigger than a car dealership. As he opened the door, more than fifty classic and vintage cars came into view. I was stunned. As we strolled through the garage, he explained that he needed a shop manager to look after his cars, he didn't have time to manage the mechanics, helpers, etc. Most important to him was having someone he could trust. As the wheels in my head were turning, he offered me a salary starting at twice what I was making. Looking at him I realized there was something about Michael I liked; knowing this would work I accepted his offer.

If you have something interesting to share, then go write ahead. Send your letters to the Editor, Blair Publishing, Inc., 9030 W. Sahara Ave. # 422, Las Vegas, NV 89117. All submissions become the property of Blair Publishing, Inc., and up to our discretion to publish them – or not. Either way, we enjoy reading them all.

Over the years, Michael and I became very good friends, sharing our love of cars was the common bond, but more than that we liked each other's company.

Michael was good natured, and generous to a fault. Within six months of working for him, he asked if I would like to move onto the property. I decided that would work, too, and moved into a guest house that was just behind the garage. Over the years, I traveled extensively with Michael attending automotive events all over the world. Michael and I were having a great time, so much so that Carolyn became a little jealous. After dinner one night, Michael and I settled into the den to watch a movie, this upset Carolyn so Michael asked her to watch it with us.

We men were both in our early fifties and in very good shape, but Carolyn was only twenty three, having gotten pregnant when she was fifteen. After a while, Carolyn's wine got her a little horny and she started playing with Michael's dick, so he pulled it out and stuck it in her mouth. I watched her suck Michael's huge fat manhood greedily; his cum filled her mouth faster than

she could swallow so she had a stream of his juice running down onto her breasts. He pulled her up and kissed her gently, licking his seed from her neck and breasts, then he whispered in her ear, she looked over at me and smiled sheepishly.

Carolyn stood in front of us and began to undress, slowly removing her blouse and bra before sliding her jeans off and to the floor. She had beautiful long blonde hair that gently rode across her shoulders; her petite frame carried 100 pounds of exquisite beauty. I couldn't help but stare at her breasts, she was a very nice 36 C and her nipples were small and pointed straight out from the full round shape. She giggled a bit as she took a sip of wine and pointed her toe at me, giving me a glimpse of her perfectly shaven pussy. I took a deep breath and looked over at Michael, he was playing with his still hard cock, and he just smiled at me and nodded OK.

Carolyn came over to my chair and crawled onto my lap. She looked me in the eye and leaned in close and put her left tit in my face. I said "Carolyn, I think you are the nicest lady

I've ever met, and I would never do anything to hurt or disrespect either you or Michael." She smiled softly and whispered in my ear "I love Michael and he wants me to fuck you, but please don't tell him I want to fuck you, too." She pulled off my shirt as we stood up. Then she pulled my pants and boxers to the floor and my nine inch cock fell against her face as she knelt before me.

I looked over at Michael as she put my cock in her mouth; he was pulling hard at his cock as he said "Go ahead, I want to watch you fuck her." I pulled her up to me and kissed her passionately as her breasts rubbed me and her hand gently stroked my cock. I turned her toward the

chair and bent her over so that Michael could see us in profile. I rubbed her ass cheeks, amazed at how tight and round they were, reaching between her legs I felt her soft bald pussy, it didn't take long before her juice was running onto my hand. I used her juice on my finger to poke at her cute little back door, she giggled as I pushed at it. By now my need to pump my seed was more important than playing with that tight ass, I grabbed my cock and rubbed it on her vaginal lips, her pussy was tight and I had to work to get entry.

After I first got into her sweet little cunt, I pushed my cock head down towards her g-spot, this got her very excited as she danced up and down on her toes,

as she got wetter I went deeper, at about halfway she moaned something and then ejaculated all over my cock and hand. This got Michael's attention and he came over to us, climbed over the chair and shoved his cock in Carolyn's mouth. He started fucking her hard, forcing himself deep into her throat; this got me excited so I just shoved my cock all the way in and started fucking her like a jackhammer. This was my first threesome; it didn't take long for both of us to shoot massive loads into Carolyn's hot holes.

My cum was draining down her leg and Michael's cum was running down her neck and dripping off her titties. Carolyn was swallowing Michael's load and using her fingers to scoop what she could before it got away. Michael licked her titties then flipped her around and sucked on her cunt.

Michael noticed my renewed interest as he pushed Carolyn to the floor beneath me; he crawled over top of her and plunged his big cock into her waiting pussy.

Carolyn reached up and grabbed my cock, pulling me down to her face so she could lick and suck my balls. Michael grabbed her tits. Carolyn convulsed with pleasure as she had her first real orgasm. This made Michael suck her boobs harder as Carolyn licked at my balls and put her finger in my ass. It hurt at first, then she massaged my prostate, I shot my hot load into her mouth and she swallowed every drop as my cum as his filled Carolyn's pussy. When Michael pulled out of Carolyn's cunt, I pushed a finger, then two into her butt hole and this got her very excited and she actually squirted out his and her cum.

We spent the rest of the night on the floor. Every time a dick got hard, she quickly sucked and fucked it into submission. In the morning, Carolyn wrapped her arms around me and said "Stay for breakfast." Michael and I smiled, knowing that our friendship was stronger than ever and that that Carolyn was happy about it. And if Carolyn is happy, we're all happy.

— Victor, Philadelphia

To the Editor,

I had just had an argument and split up with my man for the third time after I found out he had been seeing other women. On my way home, I decided I needed to clear my mind out so I could get through the night without hurting him. I decided to get a coffee so I drove through my neighborhood shop. I got the drink and pulled over to a far corner of the lot to let it and me cool down.

The parking lot was all but empty since everyone was driving through. A silver minivan pulled up to park about three spaces away and I ignored it as I thought they too were just going to sit and have their coffees. As I glanced over a couple times I noticed that it was 'rockin' and the passenger window had been lowered.

I could only see half the guy's head which was probably buried in her boobs. I noticed that the woman was looking directly at me so I quickly turned away. However, I turned back to look and was surprised to find she had opened her door and I could see her boobs were exposed and the man was eagerly kissing her nipples. She turned her head towards me signalling that she wanted me to watch, and I did.

Her seat was moved all the way back and the guy had stepped over her and was straddling her and the car seat. His zipper was down and he was shoving his cock in and out of her mouth. She was obviously into it and took every thrust of his cock. They continued on for several minutes until he must have cum because she grabbed his butt and held it in her mouth.

She leaned forward, bare boobs dangling down as she reached for the door handle and pulled it closed. I sat back in my seat and sipped my coffee. I also noticed that it got me a little wet down there so I slid my hand into my panties, closed my eyes and diddled myself to climax right there with still half a cup of coffee to finish.

— Yolanda, FL

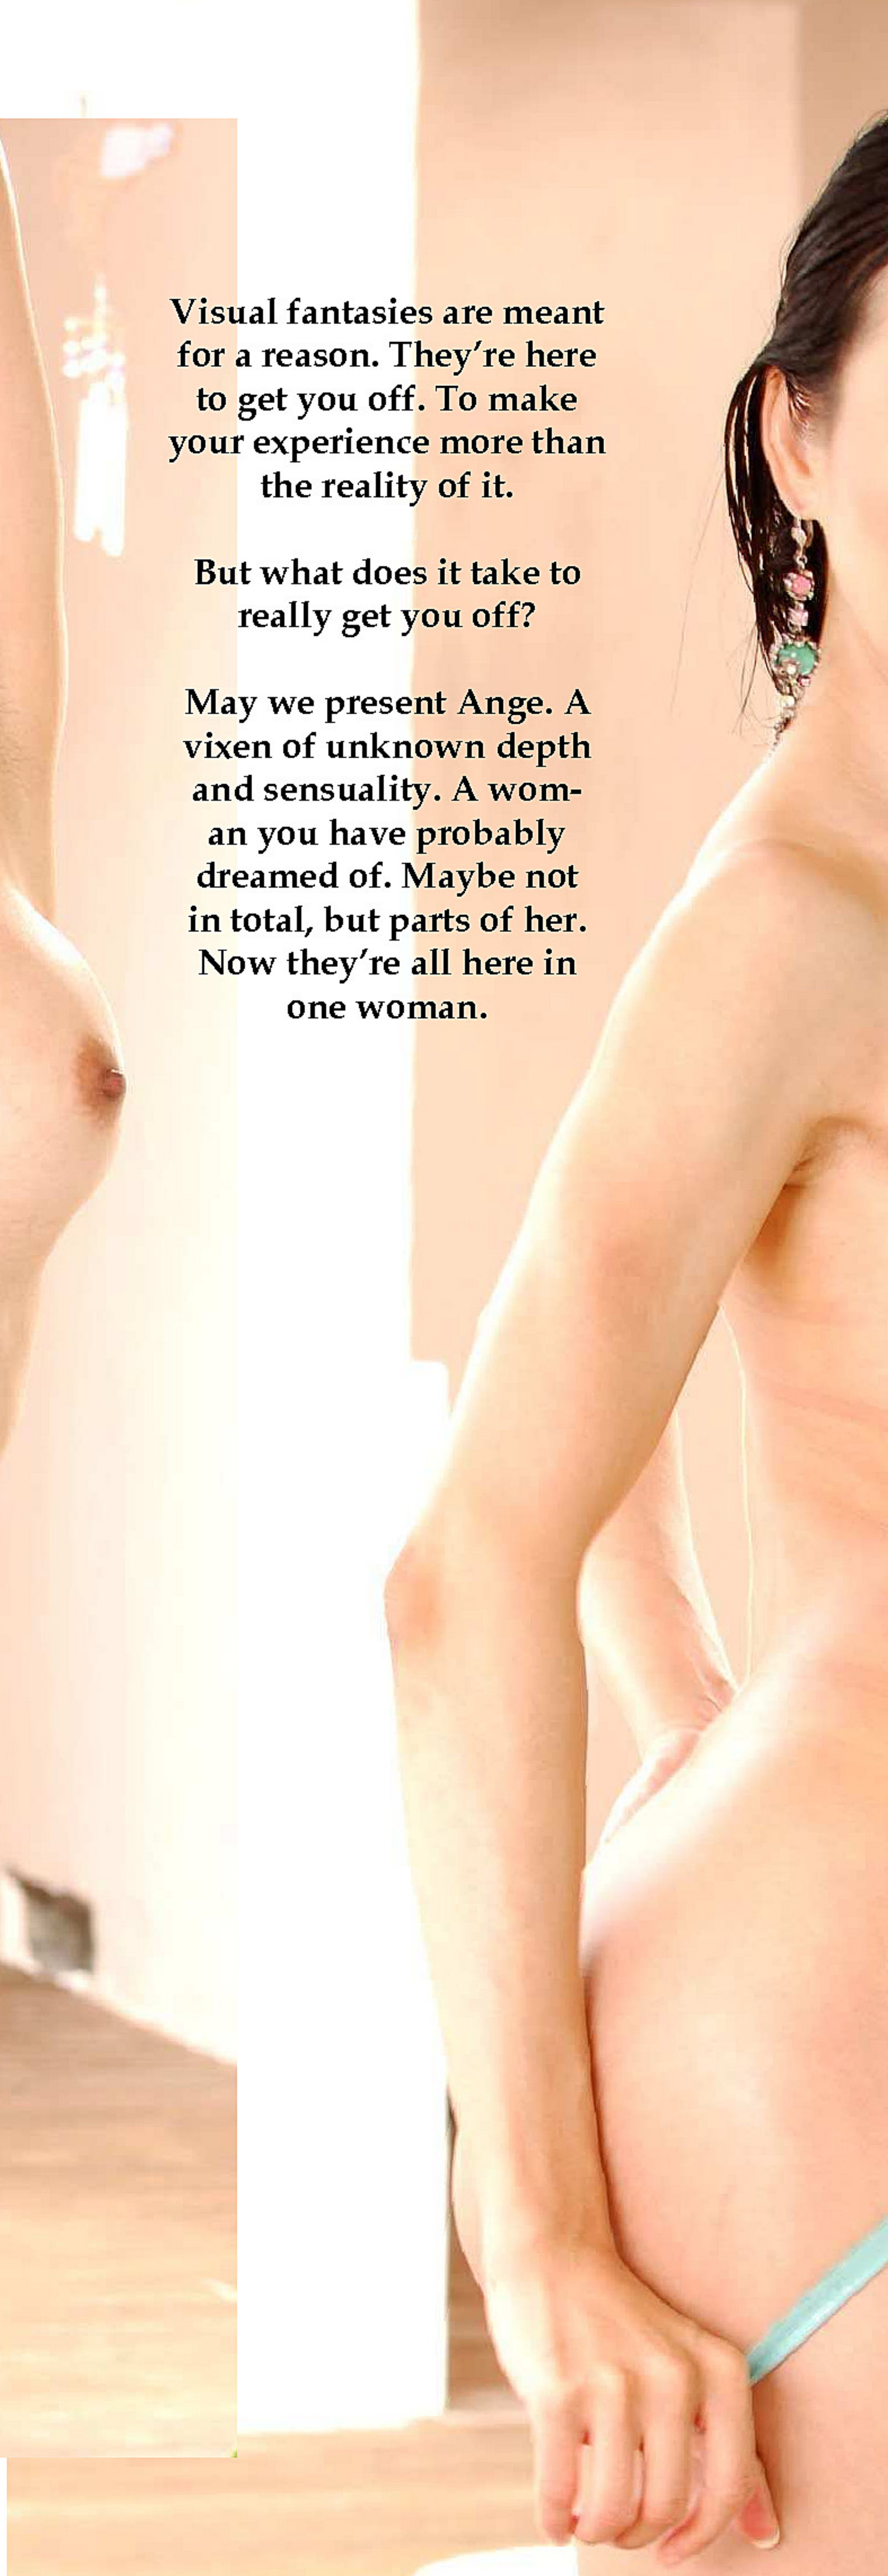

Visual fantasies are meant for a reason. They're here to get you off. To make your experience more than the reality of it.

But what does it take to really get you off?

May we present Ange. A vixen of unknown depth and sensuality. A woman you have probably dreamed of. Maybe not in total, but parts of her. Now they're all here in one woman.

We've seen her do it during the day and we've watched her at night. She's done it on her knees, her back her tummy, even upside down. It's obvious to us that Kelly loves to fuck so we're officially dubbing her the Kel-Leigh Fuck Machine!"

NASTY HOUSEWIVES PRESENTS

A full-page photograph of a woman with blonde hair tied in a high ponytail, wearing a yellow string bikini and matching high-heeled sandals. She is posing on a dark red velvet sofa, with her hands resting on her hips/thighs. She has a navel piercing and a tattoo on her left hip. The background shows a dining area with wooden chairs and a potted plant.

One's sexual lifestyle is a choice we all make. For some it cums naturally, while others develop it over time. Vanessa's is one that is slightly on the edge. The edge of dual pleasures. No sissy sex for her. She wants it big and hard and filling her every hole. It's just something that she says cums naturally for her. We cannot disagree!

the keys to romance

SUMMER BREEZES, CAPTAIN HANLEY AND HIS MATE

It's the middle of July and the summer heat in Key Largo is almost unbearable. Actually it is unbearable. Anything you can do to stay cool on the island is a necessity. Unfortunately the evenings are rather still and the breezes are nowhere to be found. Fortunately this morning I woke up to a breeze hitting my face and the smell of the ocean filling my nose. I slowly arose, squinting out the sun as I rose. I supported myself with my elbows and looked around. I then began to think about last night. I smiled when I thought about how sexy Hanley looked in his captain hat and naked body, the sunset reflecting off his fifty year old washboard chest. I thought about how I was his "lost traveler" and how he fucked me on the boat's large wooden steering wheel. I got wet again just thinking about it.

I look over to see him sound asleep, his dick flopping in the breeze, his captain's hat still on, and the slow flexing of his abs as his chest rose and fell. I slowly got up, kissed his forehead and walked down to the main deck, and went down into the cabin. I found my bikini that I had lost in the frenzy last night, and put it on. I then went back up top and jumped off the side of the boat and into the water.

I don't really remember, but during my swim, I thought that I hadn't told my man that I'd be leav-

ing, and thought about him freaking out, so I swam back to the boat and climbed aboard. I grabbed a towel and began to dry off. I had the towel over my head and heard "damn, that body never gets old." I jumped and flung the towel off to see Hanley leaning against a wall of the boat, still completely naked. "Same with yours." I said with a wink. His dick grew to full attention. He looked at his cock, up to me, and then said "Ya know matey, you can't just ride on my boat for free, and you gotta earn your keep. Come over here and help the captain with his chores." he demanded.

I came over and he grabbed my back, and my legs, and swept me up into his arms. He leaned down and pressed his lips to mine. We began to feverishly make out. He reached into my legs and yanked off my bikini bottom, throwing it to the ground. He then cautiously carried me down the stairs, and into the

shower. He turned the water on and set me down. Now, the shower is not very big, especially because it is in a boat. The water fell on me, and his body was pressed close to mine. He shoved his mouth, tongue and all, into my mouth. We made out quite passionately for a while, I didn't know how we could have sex in here because it was so cramped. He noticed this to. He began to furiously

grind his hips into mine. He would grind his pelvis in circles and sometimes move then straight up and down. The friction and everything about it was amazing. I looked down and watched as his abs flexed when he ground into me. He moved his mouth down and began to kiss my neck. As this grinding went on, his grunts and breaths were getting heavy, and my climax gradually rising. I couldn't take it any more so I gently pushed him out of the shower. He came back on me and began to kiss my face and neck.

After we were done kissing, we cleaned off and got out and dried off. We got clothed and I followed him all the way to the top and he turned on the boat and we were off to our hotel. The whole boat ride I could just not stop smiling. I was so happy to be with Hanley in Key Largo and to see him so happy. We got to the hotel around two in the afternoon, so the day, at least to me, was still young. We spent it playing on the beach, relaxing at the suite, and cuddling. Around seven in the evening I surprised him. "Get dressed. I want to go out" I told him. He didn't ask any questions, he just did it. When he came out, he looked stunning. He was wearing a very tight white tee and jeans. I was wearing jeans with a light

blue halter top. I told him he looked hot, he said the same, and we left. "Where we going?" he asked. "You'll see" I slyly replied.

We left the hotel and walked down some streets and about ten minutes later we came to a narrow street and I grabbed his hand and we walked down it. We came to a door and I knocked on it, we were let in and led down a hallway. We entered a door and were greeted to loud music and tons of people. I brought him to the best dance bar in Key Largo. "Let's have a dance." I told him. We went into the dance floor and we began to dance, he ground his hips into my ass, and I ground back. We danced and danced and

drank continuously. We were having so much fun. The center of the floor was getting too crowded with all sorts of people and couples showing off.

Hanley and I danced somewhere else, and I took a break to go to the bar. I asked for a margarita and the bartender put down my drink. I turned back around, gulped down my drink and headed back to the dance floor. I found Hanley and we began to dance. "Margaritaville" began to play, and we danced some more. It was now 2 am and we were both hot and sweaty I said that I wanted to return to the hotel and we stumbled out of the bar, down the long hallway, and out onto the street. I don't remember how long it took us to walk back, or to get up to the room. I don't even remember how we got into the shower but there we now were. The cool shower brought us back to sanity. We grabbed our towels and headed back into the bedroom.

I took his head in my hand and pulled him close to kiss me, sliding our tongues back and forth, licking each other's lips and finally, I took his tongue in my mouth and sucked on it for a few seconds. I got onto the bed and sat up on my knees, then dropped the towel from around my body, exposing my smooth tan skin and tight, athletic figure.

And with that I thrust my mouth all the way down to the base of his cock, swirling my tongue around. I wanted to heighten his climax so I slid moist finger slide down below his balls and firmly over his anus.

I leaned over Hanley, letting my long, wet hair fall over his chest and face. I closed my eyes as I felt his warm, wet saliva wet my lips, then move down to my chin and neck. Electric shocks fairly flew up my spine as he sucked and licked down my neck and chest, sucking and biting my nipples on the way down. I reached out a hand and felt his muscular legs, allowing myself the liberty of brushing my fingers down along his thighs, then back up again, gently brushing past the still moist hair around his cock. He moaned as I began kissing all around his inner thighs, into the crease between his balls and thighs, then finally taking his balls into my mouth, completely, one at a time. I haven't even touched his penis yet, but I looked and saw a drop of liquid slowly ooze out of the tip and start running down one side. I continued licking down his balls and back up, then finally to the base of his cock, turning his body so he could look at me as I wrapped my tongue around the stem and slowly moved my mouth up to the tip.

"Mmmmm, very tasty!" I smiled as I took the head of his cock into her mouth and massaged my tongue back and forth over the hole at the tip. "You're going to cum already?" I asked nonchalantly as I sunk my mouth back over the top. "Yes." he managed to blurt out, involuntarily pushing his hips up to get deeper into my mouth. "It's okay." I said, between mouthfuls, "I expected... that you'd cum pretty quick." And with that I thrust my mouth all the way down to the base of his cock, swirling my tongue around. I wanted to heighten his climax so I slid moist finger slide down below his balls and firmly over his anus. He groaned as he completely lost control and began cumming with his cock buried all the way to the back of my mouth. I was certain I was going to gag or something, but I backed off slightly and caught all of it in my mouth. I stroked a thumb and forefinger up and down the length of his penis while holding the tip in my mouth until the throbbing had subsided and I was sure it was over.

I straightened up and straddled him, then took his hard cock in my hand and guided into me. I could barely contain the pleasure. I leaned forward and started moving forward and back, sending waves of pleasure running through my body. Hanley kissed me forcefully, jamming his tongue into my mouth and pressing his lips to mine, not stopping. He kept moving back and forth, over and over, and I could feel the pressure building up in me as well. Faster, faster, he started pumping his hips in and out of me. I thrust my hips down onto him and grunted into his mouth, losing it again, I could feel the semen flowing out the end of his cock with pleasure beyond that I'd ever felt. A split second later, as I was still cumming, I tightened my vaginal muscles and moaned into his mouth before breaking the kiss and vocalizing loudly as I continued thrusting myself back and forth onto his throbbing cock.

The last thing I remember from Key Largo was taking off, cuddled into Hanleys arms, and him saying "Paris, here we come. Love you babe." And him kissing me on the forehead. This was going to be one very good trip!

ANSWERS: There are no right or wrong answers. The only person you have to answer to is yourself.

I never cum less than three times. It's just not worth the effort to cum less than that.

You've got a guy and a girl and they're fucking. Let's assume it's at night and in a warm cozy spot. Then why not cum more than once. The guy can cum only once if he wants or can't cum again, but don't shortchange me. I want more. I expect to cum more than once because I can.

A photograph of a man and a woman in a sexual encounter. The man, who is bald and has a goatee, is leaning over the woman. He is wearing a silver watch on his left wrist. The woman has dark hair and is wearing a silver necklace and earrings. She has red nail polish on her fingers. They are on a couch with a patterned green and purple coverlet. The background is a brown wall.

I'm kinda new to the business. I was a housewife for many, many years and then lost my hubby. I had some retail jobs during my forties, but found them unfulfilling. Then one night, this guy I was seeing brought home a porn video and it really turned me on. I was shocked at how much fun it was. He got the best fuck of his life that night and so did I!

Then I found a photographer to take some sexy pictures of me and I liked them a lot. Then I had my friend come with me and we did some sexier pictures together and I really liked those. I knew I gave good head but to see a hard cock in my mouth was really exciting. I hope you'll appreciate looking at these pictures as much as I liked making them. Enjoy me.
